

QUILT GUILD BINGO

We know quilt groups are always looking for a fun, inexpensive activity for a meeting night. Iowa quilter Cathy Busch suggests this “quilty” version of an all-time favorite. You’ll love playing on patchwork game cards!

Getting ready for Quilt Guild Bingo is almost as fun as playing the game, since making your game cards ahead of time allows you to rediscover many of the great fabrics in your stash. As with traditional bingo, the more cards you have in front of you when the playing starts, the more chances you have to win.

Our prize suggestions are just a place to start. Form a committee and brainstorm many more.

Planning the Night

A month or two before bingo night, distribute instructions for making cards (page 117) at guild meeting. Each player must make at least one game card in order to participate. Players bring their fabric game cards and buttons for markers to the meeting.

Download a printable call card sheet from our Web site at: FonsandPorter.com/bingo. You’ll be able to print the calling cards on perforated business card sheets. Print and separate the cards. You’ll have all the possible combinations of colors and fabric.
