

Ladies,

"In this class, you'll master inseting circles into blocks and circles, and you'll be amazed how easy it is to do. " Dana lives in Rollinsville, CO. Here is her website - www.danajonesquilts.com.

Dana uses the Cheryl Phillips technique and Cheryl's cut-a-round tools to make quick and easy inset circles. These tools are available on Cheryl Phillips website - Phillips Fiber Art. You may purchase these from Cheryl. Dana will have several Cut-A-Round tools for students to borrow if they don't want to buy before trying.

Dana's class fee is \$600 for up to 20 students. Depending on the number that sign up will determine what you pay for the class fee. As an example if we have 20 confirmed sign ups the class fee would be \$30 plus \$5 room fee.

We are taking sign ups until August 19th. If we do not have 20 we will open the class up to outside quilters. We will finalize the class fee once we are certain the number of students. The class fee may be more if we have less than 20 sign up.

Skill level for the class - beginners, intermediate, advanced

How to sign up and questions:

- You may email – sbquilters1989@gmail.com or
- Email Rita - rasussman1223@gmail.com
