## Kansas Goes Modern

### Workshop Supply List

Pattern – I'll have patterns for sale for \$16, or you can purchase a pdf download from my Etsy shop for \$10. Here is the link to my shop -

<https://www.etsy.com/listing/589973954/kansas-goes-modern-pdf-a-multiple>

I plan to have you work on the following blocks during the workshop –

- Part 4– Kansas Beauty – Technique: Applique. Fabric: 3 colors plus background
- Part 5 – Sunflower – Technique: EPP. Fabric: 16 scraps 2.5 x 5 inches.
- Part 7 – Kansas Dust Storm – Technique: Foundation Paper piecing. Fabric: 4 colors plus background
- Part 9 – Kansas – Technique: Piecing. Fabric: 3 colors plus background
- Part 10 - Assembly – Technique: Prairie Points. Fabric: 7 colors plus background.

#### Fabric

- 4.5 yards neutral background fabric – you won't need all of this for the workshop, but if you want to use the same fabric for every block, which I recommend, you should get it all now. I used Grunge for the sample.
- 8 FQ plus scraps of read as solids for the blocks. You will need more to complete the quilt, but this will be enough for the workshop. I used Grunge.
- Lightweight paper-backed fusible web

Sewing Machine with ¼ inch foot and open toe foot.

Rotary cutting supplies to include a 6 x 12 inch ruler.

Pressing supplies – either individual or for the workshop

Typical sewing supplies. Neutral thread for piecing. Matching thread for applique blocks (you can do this later).

Hand sewing supplies – needle and thread, thimble if you use one. Don't worry there is not a lot of hand sewing – it's just to learn the EPP technique.

Open mind and sense of humor. Let's have fun!
